

A good job is not hardie to find.

Become part of the James Hardie Europe GmbH success story. **Your Partner in Growth.**

We are the global market leader in fiber gypsum and fiber cement solutions with the fermacell® and James Hardie brands. With our ground-breaking innovations we change the way Europe builds. We are setting new standards in areas such as lean manufacturing, demand creation and implementing our push-pull strategy. Every day, our fantastic team combines the creative spirit of a start-up with the power of a global market leader.

To strengthen our team, we are looking for a

Technical Sales Support Specialist Fermacell & Flooring (m/f/d)

Fulltime role at our office in **Sutton Coldfield**, UK Head Office.

Your tasks

- Technical support for our customers and sales team via phone and email
- Offer design and detailing advice for architects, designers, installers, and end users
- Maintain and reply to inbound technical enquiries via our website
- Contact person for our UK sales team for our key Fermacell systems
- Work with the Technical team on expanding and developing our Fermacell offering
- Department-related tasks or projects as required

You are...

- **smart?** You have a good understanding of construction. Dry-lining and dry-screed flooring systems experience. A practical problem-solving mindset and willing to learn and develop.
- **driven?** Standing still is a foreign word for you. Your high level of self-motivation and "get-things-done mentality" drives you, because you not only want to achieve your goals, but also exceed them.
- **real?** You inspire not only our local partners, but also our team with your friendly, winning, and confident manner.

What we offer

- A dynamic environment in a global growth company

- Continuous, individual development opportunities
- The freedom to participate in processes, projects and system development
- Various benefits such as learning tool (master plan)

Curious?

Then become part of James Hardie. We are only strong together as a team. Diverse people drive innovation and growth. We are interested in what people think, regardless of culture, background, or personal belief. We are looking forward to getting in touch with you.
